

***Allowable Subject Matter***

Claims 1-5, 7-23 are allowed.

The following is an examiner's statement of reasons for allowance:

Independent claims 1, 12 and 23 are allowable over the prior art of record. Specifically, prior art of record fail to clearly teach or suggest that the selectable connection from the one of the executable graphical objects' provided in the executable graphical model editor program to the portions of the produced report that correspond to the one of the executable graphical objects', the produced report provided in a document viewer as textual content where the executable graphical objects represent a dynamic system for simulation, and executing the executable graphical objects' simulates the dynamic system represented by the executable graphical objects'. Dependent claims 2-5 and 7-22 further add limitations to the allowable subject matter of the corresponding independent claim thus are also allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
